2021 Student Medical Check-Up (April 7)

Note: If you have a fever, do not come to this check-up. Your temperature will be measured at the reception area on the day of the check-up, and if your temperature exceeds 37.5°C, we will ask you to go home.

• Be sure to complete the on-campus surveys in the Live Campus academic system. Until you complete the surveys, we will assume that you have not had a check-up yet, and we will be unable to issue health certificates or health status forms for training courses.

Current Students		Live Campus → Campus Life → On-Campus Surveys
New	Until May 9,	Please complete these three: 2021 Student Check-Up Survey, 2021
Students	after you sign in to Live Campus	Student Health Consultation Survey, and 2021 Student Life Survey

O Appointment details are determined by your academic department, year in school, and student ID number. Please do not be late.

O Check-up items 2nd-year undergrads: Height, weight, x-ray, urine test, blood pressure, eyesight Undergraduate course of Mar. Sys. Eng./Mar. Elec. and Mech. Eng.: Grip 4th-year undergrads/grad students: Height, weight, x-ray

O Wait in line at the entrance of Etchujima Hall next to the No. 2 Bldg. at the time of your appointment.

 \cdot There is no access from the front entrance of Etchujima Hall or in front of the co-op.

★ To Prevent Infection ★

- Be sure to wear a mask.
- No talking in the check-up meeting area.
- Walk by yourself, at least 2 m apart from others. Stay at least 2 m away from others while waiting for your check-up.
- Sanitizer is provided by the reception area and after the urine test. Please rub it into your hands well.

- Female students: To avoid crowding and ensure efficient chest x-rays, do not wear a bra or other underwear with plastic shoulder straps. Wear a plain T-shirt without buttons or printed designs under your coat.

Thank you for your cooperation.
